<b>COMMUNITY MEETINGS</b>	<p><i>Incident Public Information Officers are routinely visiting the Red Cross Shelters to brief residents on current status of the fire.</i></p> <p><i>Last night Command representatives hosted a community meeting regarding the Station Incident at High Desert Middle School, 3620 Antelope Woods Road, in Acton. Nearly 250 area residents attended this meeting, which featured comments from members of the Command Staff (Mike Dietrich, US Forest Service; Mike Bryant, LACoFD; Dave Fender, LASD), as well as remarks from LACoFD Fire Chief P. Michael Freeman. Other speakers addressing residents' concerns included representatives from State Senator George Runner, Los Angeles County Department of Mental Health, American Red Cross, and the City of Palmdale. Maps of the fire zone and affected areas were made available for review and residents were given the opportunity to ask questions. Residents requesting assistance to return to their homes during the evacuation for a specific need were directed to call the Palmdale Sheriff's Station at (661) 272-2400.</i></p> <p><i>A similar community meeting will take place tonight at 7:00 pm at Wrightwood Elementary School (on the athletic field), 1175 State Highway 2, in Wrightwood.
